LIND Smide & Metallgestaltning

LIND Smide & Metallgestaltning drivs av Jokum Lind Jensen som har mångårig erfarenhet och stor kunskap av smide i allt från materialet och tillverkningstekniker till det konstnärliga uttrycket. Lind arbetar med alla former av modernt och traditionellt smide, från design till restaurering och reproduktion. Till Jokum vänder du dig om du vill ha ett nära samarbete och specialtillverkning av framförallt smide med konstnärligt unikt uttryck för det offentliga rummet, utrustning, arkitektur och byggnader. Specialområde hos Lind är varmsmide, där man kan forma järnet organiskt och skapa ett unikt uttryck.

Utbildning:

Master of Applied Arts, HDK/ Stenebyskolan, Göteborgs universitet, 2004.

Artist blacksmith HND på Herefordshire college of art and design, England, 1997.

A photograph of three people standing in front of a wall with a yellow and black geometric pattern. On the left is a woman with blonde hair wearing a black top with yellow and white sleeves. In the center is a woman with long brown hair wearing a white top with black patterns. On the right is a man with a beard and glasses wearing a black vest over a blue long-sleeved shirt. The text is overlaid on the image.
